Subject: Brewers for Clean Water Campaign launches!

Friends of clean water--

I'm writing to let you know about an exciting new initiative that we've launched publicly today: NRDC's Brewers for Clean Water campaign.

You can visit <http://www.nrdc.org/brewers> to learn more about the campaign and check out the 20+ founding member breweries.

The goal of the campaign is to raise new, regional and local business voices in support of strong Clean Water Act protections. The brewers we are working with have told us how important plentiful, clean water supplies are to the success and sustainability of their businesses. We are excited about the opportunities that these relationships will bring, and will keep in touch as the campaign grows.

Cheers!

Jon
